DEPARTMENT OF TRAINING & PLACEMENTS

CIRCULAR

Date: 28-05-2019.

We are happy to inform you that Training and placement Cell hosting **Rockwell** On-Campus recruitment drive for B.Tech (Mech) 2019 batch, in June 1st Week.

About US: Rockwell Industries Limited was established in the year 1986 and has relentlessly developed to end up a pioneer and presumed producer of business refrigeration appliances went for supporting the retail chain of our business accomplices. Rockwell is one of the primary organization in the nation to present CFC free items and has the ability to make HC based Eco-accommodating machines confirmed by TUV, Germany.

Our business system has dependably been to lead through forceful business insight, remain for the reasonable rivalry, accentuate on item improvement by applying most recent innovation and administration, put a premium on our kind and work intimately with our business accomplices.

Our designing group has dependably been in the bleeding edge of new innovation and has constantly spearheaded the improvement of new items in light of the changing needs of the commercial center.

Our assembling offices can deliver 400,000+ machines for every year. With in excess of 150 administration franchisees and more than 100 merchants, we are spread over the length and expansiveness of the nation and past.
