Campus Recruitment Training for B. Tech IV year Students @ SMEC

It is **St. Martin's Engineering College's** customary to conduct **Campus Recruitment Training (CRT)** every year for B. Tech III year students to enhance their skills in alignment with industry requirements. SMEC offers top-notch training, utilizing the Knowledge of experienced industry professionals. This training covers essential areas such as Coding proficiencies demanded by Multinational Corporations, Communication skills, Logical thinking, Problem solving, Interview preparation, Resume building and understanding employer expectations.

The CRT (Quantitative Aptitude and Verbal Reasoning) sessions are conducted for all Departments, as follows:

Topics Covered:

1. Percentage topic in aptitude and covered number of models in it.
2. Syllogisms and exercises on it
3. Vocabulary building and Exercises on English reading, writing and speaking skills.

Day: Tuesday

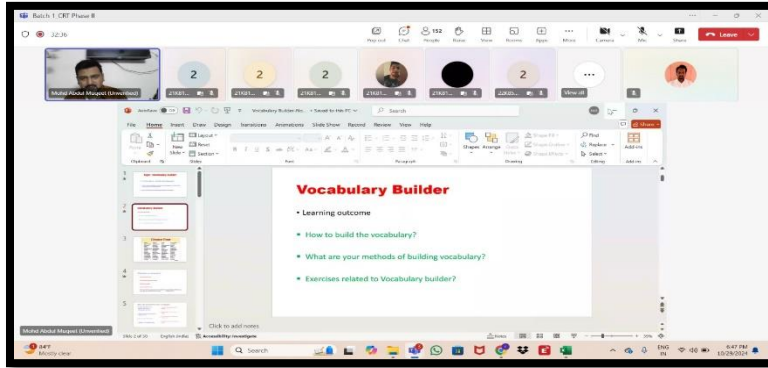

Date: 29-10-2024

Timings: 6:30 PM to 8:30 PM

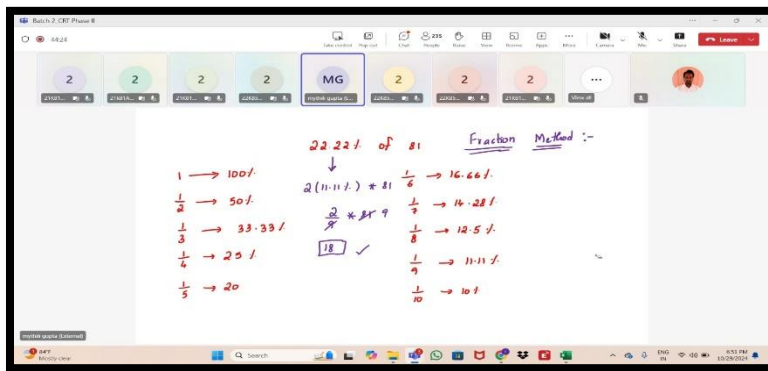

Venues: Online (Microsoft Teams)

In today's online session, trainers introduced the concept of percentages in aptitude, covering multiple models to provide students with a solid foundation for solving various types of percentage-related problems. The session also included syllogisms, with exercises that helped students practice logical reasoning and draw conclusions based on given statements. Additionally, vocabulary-building activities were conducted, along with exercises to improve English reading, writing, and speaking skills. This combination of aptitude, logical reasoning, and language exercises offered a well-rounded learning experience, strengthening both analytical and communication abilities. With active student involvement and engagement, Day 9 successfully concluded under the Supervision of faculty members
