DEPARTMENT OF FRESHMEN ENGINEERING

Internship Program for B. Tech I Year Students @ SMEC

Keeping in the view of the industry requirements and Students placements, the budding technocrats must require efficiency in their particular fields. In this regard, a new beginning is taken by SMEC in the name of internship programme for B. Tech I year Students. The internship sessions are conducted for the department wise as follows:

Forenoon : CSE (A, B, C, D) & IT-A

Afternoon : IT-B, C & CSE (AI&ML) A, B, C

Topics covered :

- i) Flag project, positioning and hands –on practice on login form
- ii) CSS Display properties and development of part of website
- iii) Tables, lists, project on all tags representation.

Day : Friday

Date : 23-02-2024

Venue : Subash Chandra Bose block (Block-7)

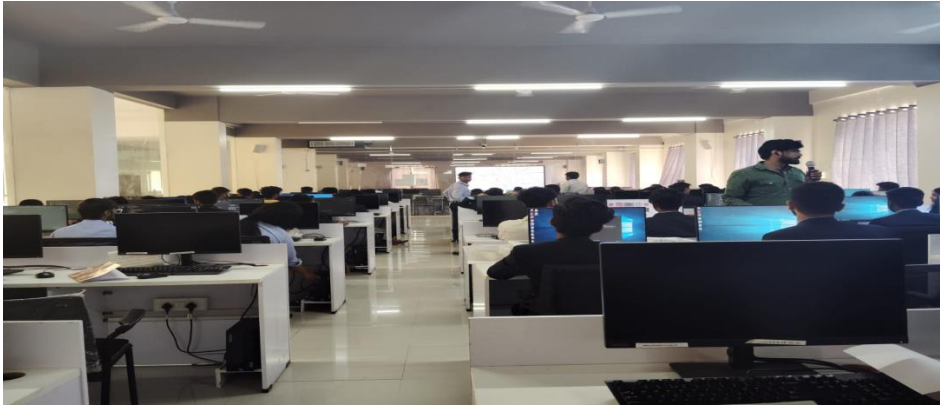

Room Numbers : 7112, 7113, 7310

Live sessions demonstrate how to use Flag project, positioning and hands –on practice on login form, CSS Display properties and development of part of website, Tables, lists, project on all tags representation. Students can apply the knowledge gained from these projects and exercises to real-world scenarios. They can improve their HTML, CSS, and possibly JavaScript skills which are fundamental for web development. The hands-on experience will prepare them for future projects and potentially entry-level roles in web development.

The sessions for the day 5 are finished with a wonderful response from students as well as they have been helpful for seeking the knowledge which is shared by the experts.

The internship programme for the day 5 has been conducted effectively with the attentiveness of students and thorough monitoring of faculty coordinators.
